THE STORY OF BACH (1685-1750)

DID YOU KNOW...

Bach came from a long line of musicians.

Bach was the most celebrated German organist of his time.

Mozart said of Bach: "He is the father of all music. We are his children."

Bach had 20 children, several of whom also became famous as composers and performers.

Most of Bach's music was forgotten until the German composer, Felix Mendelssohn, began a revival in 1829.
