Reviews and Ratings

Over the years, Naxos recordings have received outstanding critical acclaim in virtually every specialized and general-interest publication around the world. In this catalogue we are only listing ratings which summarize a more detailed review in a single number or a single rating. Our recordings receive favourable reviews in many other publications which, however, do not use a simple, easy to understand rating system.

Penguin Guide: More than half of all current Naxos recordings are included in various editions of the authoritative *Penguin Guide*. The very highest rating is ******* with a **5** awarded only to recordings of exceptional quality. Otherwise, the ******* rating is the highest awarded to other recordings ... it means that a recording features an outstanding performance and has equally outstanding sound. Brackets around one star signify a slight reservation regarding either sound or performance. In this catalogue we only list the **⊗***** and ******* recordings although many more of our recordings also received ****** ratings, indicating a good performance and recording of today's normal high standard.

PG *** A recording in a very special class

PG ⊗*** An outstanding performance and recording in every way

PG 9 A 'Key' recording which may be used as a basis for a personal collection

Gramophone: This is the oldest monthly British magazine devoted to recorded music. It does not have a rating system and we can therefore only indicate which of our Naxos recordings were included in the monthly Editor's Choice category and which were pronounced Disc of the Month.

ⓐ Editor's Choice Gramophone Editor's Choice

ⓐ Month Gramophone Record of the Month

ⓐ N Gramophone Award Nomination

ⓐ Awards Gramophone Award Winner

BBC Music Magazine: Unlike *Gramophone*, the *BBC Music Magazine* is not primarily a publication devoted to recorded music but to music in general (as its title indicates). Nevertheless, the publication has been increasing its coverage of classical and other recordings and must now be considered a serious rival to *Gramophone*. The highest rating given to a recording is ☆ outstanding.

★★★★ BBC 5-Star rating

FOREWORD BY KLAUS HEYMANN, Founder, NAXOS

In 2007 Naxos celebrated its 20th anniversary with parties and concerts in Sydney, Paris, London, Cologne, Madrid, Athens, Wellington, New York, Nashville, Tokyo and Hong Kong. In these 20 years, what started as a humble budget classical music label has developed into a music-based media and distribution company which is the undisputed industry leader in terms of the depth and breadth of its catalogue and the number of new releases.

In the anniversary year, Naxos was scheduled to release more than 200 albums recorded in 25 countries, from New Zealand in the South to Norway in the North, and from Dublin in the West to Tokyo in the East. With subsidiaries in all important music markets, the Naxos group of companies is also now the leading distributor of independent classical CD and DVD labels and a pioneer in the digital distribution of classical music, through its Naxos Music Library online subscription streaming service.

Also in 2007, we launched the new download site www.classicsonline.com which immediately began making an important contribution to the worldwide accessibility of classical music recordings. The Naxos catalogue, and other leading classical catalogues, became available in MP3 format, the most convenient digital format, and in the high resolution of 192 kbps. Furthermore, Naxos Books expanded its range of classical music books, offering biographies and histories in traditional book form but with accompanying CDs and dedicated websites containing more free music.

By the end of 2007, our catalogue included close to 3,400 recordings, offering music lovers a veritable encyclopedia of classical music. On average, we are releasing 20 newly recorded titles per month – more than any other record label, independent or major.

As important as the sheer breadth of choice is the quality of what is there. Look at the reviews and you'll see that Naxos enjoys immense critical respect, as witnessed by more than 800 Penguin Guide 3-star recommendations and over 130 "Editor's Choices" in Gramophone magazine, as well as thousands of enthusiastic letters and emails received every year.

A sense of adventure keeps us all fresh and innovative too. In addition to superb new versions of the established core classics, we have made remarkable treasures accessible to adventurous music lovers – from British string quartets and 'Japanese Classical Favourites' to 20th-century American music and symphonies of the 18th century that have never been recorded before. I hope we never lose the joy of discovering something new.

In fact, a key benefit to music championed by Naxos is that works once considered unusual, such as Philip Glass's Violin Concerto or Hummel's Masses [which our affiliated publishing company, Artaria Editions, also published], can actually become popular enough to enter the mainstream repertoire. Of that I confess to being very proud.

Naxos is a label created, developed, marketed and distributed by music lovers for other music lovers; and yes, we are serious about our music. Also, we know that a responsible market leader must do everything possible to develop the market as a whole. To this end, we invest heavily in educational projects to build tomorrow's audience. Entire series are now devoted to this, including our prestigious 4-CD sets, each devoted to the "Life and Works" of a great composer. Our "Opera Explained" audiobooks combine music and commentary to intelligent effect, and we offer a 7-CD set devoted to The Instruments of the Orchestra.

Another telling example of our intent to broaden and develop our remit is the commissioning of Sir Peter Maxwell Davies to write 10 "Naxos Quartets", the first of which appeared in late 2004, in a ground-breaking venture which sees a composer writing and naming a series of works after a label. The last two quartets, Nos 9 and 10, will be released during 2008.

We are likewise investing in exciting new digital delivery formats with our Naxos Music Library, which enables a university library or music faculty to offer students complete unlimited access to all Naxos and Marco Polo recordings [and the recordings of more than 50 other independent labels, as well] at the click of a mouse. The Naxos instinct for innovation ensures that it will continue as what the Los Angeles Times has called an "industry leader" in the digital distribution of music.

We continue to invest a great deal of effort and money into www.naxos.com. A highly sophisticated database allows unprecedented access to information about musical works, and enables the visitor to the site to find all recordings in our catalogues; those who subscribe can listen to every single track. The site also offers information about other independent CD and DVD labels, making it a veritable portal for the world of recorded classical music.

Our dedication to classical music has been rewarded with unparalleled acclaim from the media, not only from specialized magazines such as Gramophone, BBC Music Magazine and Stereophile but also from major international newspapers such as The Times, The New York Times, The Wall Street Journal, the Frankfurter Allgemeine Zeitung, Chicago Tribune and others.

However, a more important testament to Naxos is the large number of letters of appreciation we receive from music lovers around the world. Making classical music more affordable and accessible has always been at the core of what we do and will remain so for many years to come.

Klaus Heymann

WHAT THE PRESS SAY OF NAXOS:

"...a label that seems intent on recording every note of the classical repertory while the rest of the industry is in a state of perpetual retrenchment." - *The New York Times*

"Klaus Heymann is doing much more than the Hapsburgs to promote the spread of classical music"
- *Forbes Magazine*

"Naxos specializes in bucking conventional wisdom... a rare success story in a struggling industry"
- *The New York Times*

"Naxos is now part of every music lover's life." - *Gramophone*

"Naxos has become without doubt the world's favourite classical label. ... In the history of the gramophone, no company has more thoroughly overturned the classical record business. ... It has built its reputation on value and reliability." - *BBC Music Magazine*

"Naxos is simply the most exciting thing happening in classical music today." - *ClassicsToday.com*

"Naxos is a niche label with international clout. A major minor, if you will." - *The New York Times*

"It's hard to imagine that there isn't at least one Naxos disc in the collection of every classical music lover."
- *The Scotsman*

"Naxos has combined imaginative A&R with its philosophy of offering great music at affordable prices. Which all makes for a winning combination - classical music enthusiasts can't really go wrong!"
- *Gramophone*

"One of the most adventuresome of all independent classical labels. ... At a time when major classical labels are seriously tightening their belts, Naxos thrives." - *Wall Street Journal*

"Naxos may be a major label, but it's a major label with a difference. Unlike the others, it respects the interests, not to mention the intelligence, of its customers." - *Stereophile*

"The Naxos classical music label is now one of the most innovative and successful in the world and has as many critical successes to its credit as any of the established labels." - *Metro (London)*

"Why pay £15 for a classical CD when you can get a better one for a third of the cost from the budget label Naxos?" - *The Guardian*

"The great salvation for classical recording continues to lie with the smaller independent labels. ... Enterprising indies such as Naxos continue to put out records that justify themselves artistically."
- *The Chicago Tribune*

"Naxos Nostalgia, Naxos Jazz Legends, Naxos AudioBooks and Naxos World testify to the continuing vibrance of one of the great success stories of the CD era." - *BBC Music Magazine*

"Naxos's continuing success may be due to many factors, but not least among them is Klaus Heymann's belief that classical music really matters." - *BBC Music Magazine*

Come again, sweet love doth now invite • Flow my tears •
Lady, if you so spite me • In darkness let me dwell •
Melancholy Galliard • Say love if ever thou did'st find •
His golden locks • Greensleeves Divisions • If my
complaints could passions move • Time stands still • Can
she excuse my wrongs? • Fortune my foe • I saw my lady

weep • Wilt thou unkind thus reave me? • Stay time awhile thy flying • Bonny Sweet Robin • Me, me, and none but me • Sorrow, stay • Fine knacks for ladies • Kemp's Jig • Callino • When Phoebus first did Daphne love • Think'st thou then by thy feigning? • Galliards by Mary, Queen of Scots • Now, o now I needs must part • Come, heavy sleep

Steven Rickards, Counter-tenor / Dorothy Linell, Lute 8.553381
