

Letters to the Ocean

Peter Bruun

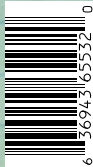

Eshbjerg Ensemble, Frode Andersen, Helene Gjerris, Petter Sundkvist

Peter Bruun (b. 1968) is one of the most distinctive and exciting voices in his generation of Danish composers. He is not afraid to express himself with simple, recognizable material, but he does so in very subtle ways. His sense of timbre and sonority is highly sensual as appears in these three works witnessing the composer's strong fascination with the ocean.
