This fifth volume of 'English String Miniatures' focuses in the main on composers perhaps better known in the worlds of stage, screen and broadcasting or education. It presents light music of the highest calibre, combining musical and technical mastery with the influence of both English and foreign folk-song and dance. Previous releases in this series are available on Naxos 8.554186, 8.555068, 8.555069 and 8.555070.
