Complete Piano Sonatas, Concertos and Symphony Transcriptions

"Listening to Beethoven through Liszt's keyboard transcriptions put a fresh perspective on these familiar symphonies. Idil Biret has taken up the complete cycle and I admire her taste, technique and sound musical decisions."

NEW YORK MAGAZINE

"Idil Biret gives an impressive performance. A supreme mastery of tempi, sonorities, polyphony and technique permits Biret – a disciple of Alfred Cortot – to embrace all the moods of Beethoven and gives her playing a symphonic depth rarely heard until now."

LE NOUVEL OBSERVATEUR

"Universally gifted pianists like Idil Biret, who do not limit themselves to a cleverly selected repertoire are nowadays very rare... With the recent release of the Beethoven/Liszt Symphonies international recognition should be secure for her."
