

Founded by Marin Alsop in 1981, String Fever was hailed for its remarkable versatility and unique blend of pop, jazz and classical repertoire. *Fever Pitch* presents pieces written and arranged for String Fever by a quartet of leading composers whose origins range from 1920s vaudeville to big band, film music and American and Afro-Caribbean folk. Marin Alsop performs numerous solos in a kaleidoscopic program that follows on from the swing standards of *It Don't Mean A Thing* (8.572834).
