## EASY KEYBOARD SONATAS

### COLLECTIONS I and II

Daniel Gottlob Türk is best known for his influential teaching manual *Klavierschule* (1789), a work which influenced a generation of aspiring keyboard players. In order to advance the technical and musical skills of students, in 1783 Türk published two collections of light or easy keyboard sonatas (*Leichte Klaviersonaten*). Listeners, performers, teachers, and musicologists will discover untapped riches in these expressive and historically important works, played on this recording on four contrasting historical keyboards.
