

GRAND PIANO THE KEY COLLECTION

THREE CENTURIES OF RARE KEYBOARD GEMS

The Grand Piano label is dedicated to exploring undiscovered piano repertoire by unfamiliar composers, producing high quality, often world première recordings, performed by virtuoso authorities in their chosen field. Marking the label's 5th anniversary, this collection is a comprehensive guide through the history of keyboard music from the invention of the fortepiano to today's living composers, as well as taking the listener on a musical adventure through a geographically global range of rare musical gems, with all of their new and exciting sounds and fresh perspectives.
