

THE BRANDENBURG DUETS

Bach's Brandenburg Concertos
arranged for piano duet by Eleonor Bindman

Unlike the only published piano duet arrangement by Max Reger, which has serious performance limitations, Eleonor Bindman's new transcription of the *Brandenburg Concertos* highlights their polyphony, imagining how Bach might have distributed the score if he had created four-part inventions for piano duet. With an equal partnership between the two instrumentalists, using the modern piano's full potential to convey the unique scoring and character of each work, the concertos are ordered to create an engaging listening sequence.
