

# SZÉCHÉNYI

## PIANO MUSIC FROM A HUNGARIAN DYNASTY

The Széchényi dynasty stood at the heart of Hungary's political and musical life in the 19th and 20th centuries. Their ideal milieu lay in vibrant, melodious dance-patterned music, of which Imre's *Waltz No. 1* is a perfect example. Ödön's highly accomplished works reflect his sophisticated wit, whilst in Franciska, Hungary had its first female composer, and in Gisa, the world's first female film composer.
