# ANNE-LOUISE BRILLON DE JOUY (1744–1824)

## THE PIANO SONATAS REDISCOVERED

The thirteen sonatas on this première recording represent the complete music for solo piano by the Parisian keyboardist and composer Anne-Louise Brillon de Jouy, a musician much celebrated in her day and greatly admired by Boccherini. Introducing technical innovations more usually associated with Czerny and Liszt, these sonatas reflect a gloriously rich musical environment, incorporating and transforming elements from music of the time with great imagination and wit, and showing us that Madame Brillon's glittering salon, though private, was by no means isolated.
