Reviews and Ratings

Over the years, Naxos recordings have received outstanding critical acclaim in virtually every specialized and general-interest publication around the world. In this catalogue we are only listing ratings which summarize a more detailed review in a single number or a single rating. Our recordings receive favourable reviews in many other publications which, however, do not use a simple, easy to understand rating system.

Penguin Guide: More than half of all current Naxos recordings are included in various editions of the authoritative *Penguin Guide*. The very highest rating is ******* with a  awarded only to recordings of exceptional quality. Otherwise, the ****** rating is the highest awarded to other recordings ... it means that a recording features an outstanding performance and has equally outstanding sound. Brackets around one star signify a slight reservation regarding either sound or performance. In this catalogue we only list the  ******* and ****** recordings although many more of our recordings also received ***** ratings, indicating a good performance and recording of today's normal high standard.

 **PG ***** A recording in a very special class

 **PG @***** An outstanding performance and recording in every way

Gramophone: This is the oldest monthly British magazine devoted to recorded music. It does not have a rating system and we can therefore only indicate which of our Naxos recordings were included in the monthly Editor's Choice category and which were pronounced Disc of the Month.

 **G Editor's Choice**

 **G Month** Gramophone Record of the Month

 **G A N** Gramophone Award Nomination

 **G Awards** Gramophone Award Winner

BBC Music Magazine: Unlike *Gramophone*, the *BBC Music Magazine* is not primarily a publication devoted to recorded music but to music in general (as its title indicates). Nevertheless, the publication has been increasing its coverage of classical and other recordings and must now be considered a serious rival to *Gramophone*. The highest rating given to a recording is ☆ outstanding.

 **BBC 5-Star rating**

 **BBC editor's choice**

 **BBC outstanding quality**

 **CCA 1998 Cannes Classical Award**

 **NZMA Best Classical Album of 2003, New Zealand Music Awards**

 **Pizzicato: Supersonic Rating**

 **Pizzicato: Excellentia**

 **Klassik heute:** Performance 10

Diapason: This is the French equivalent of Gramophone but extensively covers live in addition to recorded music. It accords recordings ratings from one to five tuning forks (diapasons). A select few recordings are awarded a Diapason d'Or.

 **Diapason d'Or**

 **Five-Diapason Rating**

Répertoire: This is a record collectors' publication rating recordings on a scale of 1 to 10.

 **R 10** Répertoire 10 Rating

 **R 9** Répertoire 9 Rating

 **R Rec** Répertoire Recommended

 **R Hist** Répertoire Historical
CD of the Month

 **R MS** Répertoire CD of the Month

Le Monde de la Musique: This is the third of the French magazines. It rates recordings according to a star system, four stars being the highest rating. A few select recordings are awarded the CHOC symbol.

 **MSOIE** Special Award of
Le Monde de la Musique

 **MSOIE** Highest 4-Star Rating of
Le Monde de la Musique

 **Classica:** Recommended by Classica

 **Stereoplay: 9 Rating**

 **Stereoplay: 9.5 Rating**

 **Stereoplay: Disc of the Month**

ClassicsToday: This is the only website reviewing all new classical releases on a daily basis.

 Its highest rating is 10/10, the first 10 referring to the performance and the second 10 to the sound quality.

 **The Absolute Sound:** Super CD

FOREWORD BY KLAUS HEYMANN

When I started the Naxos label 20 years ago I had no great ambitions other than making classical recordings available on CD at a price comparable to that of LPs. Not in my wildest dreams did I expect Naxos to become the world's leading label for classical repertoire. In many countries, including the UK, it is also now the best-selling classical label.

And Naxos is no longer just a 'budget' label - it was named The 2005 Label of the Year at the 2005 Gramophone/Classic FM Awards, and in February 2006, the Naxos recording of William Bolcom's *Songs of Innocence and of Experience* won three GRAMMY Awards.

As of January 2007, our catalogue comprises over 3,000 releases and we add about fifteen new releases every month. By the end of 2007, our catalogue will be close to 3,400 recordings, offering music lovers a veritable encyclopedia of classical music.

As important as sheer breadth of choice is the quality of the offering. After all, one's natural love of a bargain is always tempered by the suspicion of possible corner cutting. With us you can purchase with utter confidence. Look at the reviews and you'll see that Naxos enjoys immense critical respect. More than 800 Penguin Guide 3-star recommendations and over 130 "Editor's Choices" in The Gramophone magazine attest to that as do the thousands of enthusiastic letters and emails we receive every year.

So, how do we manage to issue brand new recordings at less than half the price of full-price recordings? Particularly, one wonders, since we work with many of the same orchestras as other independent record companies, employ some of the same producers and engineers and thus have costs similar to most other record companies. The answer is simple: our consumer-friendly price and wide distribution allow us to spread that recording cost across 20,000 to 30,000 copies.

A sense of adventure keeps us all fresh and innovative too. In addition to superb new versions of the established core classics, we have made remarkable treasures accessible to adventurous music lovers - from British String Quartets to Japanese Classical Favourites, from 20th Century American Music to symphonies of the 18th Century that had never been recorded before. I hope we never lose the joy of discovering something new and remarkable.

In fact, a key benefit to music of the Naxos approach is that works once considered unusual, such as a Glass Violin Concerto or the Hummel Masses [which our affiliated publishing company, Artaria Editions, also published], can actually become popular enough to enter the mainstream repertoire, and of that I confess to being very proud.

Naxos is a label created, developed, marketed and distributed by music lovers on behalf of other music lovers and yes, we are serious about our music. Of course, we know that a responsible market leader must do everything possible to develop the market as a whole. To this end, we invest heavily in educational projects to build tomorrow's audience. Entire series are now devoted to this, including

our prestigious 4-CD sets, each devoted to the "Life and Works" of a great composer. Our "Opera Explained" audiobooks combine music and commentary to intelligent effect, and we offer a 7-CD set devoted to The Instruments of the Orchestra.

Another telling example of our intent to broaden and develop our remit is the commissioning of Sir Peter Maxwell Davies to write 10 "Naxos Quartets", the first of which appeared in late 2004, in a ground-breaking venture which sees a composer writing and naming a series of works after a label.

That passion to develop the market extends to technology too, and here we have a significant lead over others. Naxos is the only label, major or independent, to have released important titles in three different formats, CD, DVD-A and hybrid SACD.

We are likewise investing in exciting new digital delivery formats with our Naxos Music Library which enables a university library or music faculty to offer students complete unlimited access to all 90,000 Naxos and Marco Polo tracks [and the tracks of many independent labels, as well] at the click of a mouse. Naxos Radio (available from the website, www.naxos.com) enables a subscriber to enjoy 60 channels of streamed classical music through a computer for 24 hours a day at a very modest cost. In fact, the way we are able to distribute music is undergoing exciting changes: for instance, the time is not far off where you could be filling up your MP3 player at a kind of musical gas station, most likely your favourite retailer. The Naxos instinct for innovation ensures that it will continue as what the Los Angeles Times has called an "industry leader" in the digital distribution of music.

We continue to invest a great deal of effort and money into www.naxos.com with a highly sophisticated database that allows unprecedented access to information about musical works and enables the visitor to the site to find all 90,000 tracks in our catalogues. Those who subscribe to the site can also listen to every single track. Our website also offers information about other independent CD and DVD labels, making it a veritable portal for the world of recorded classical music.

Our dedication to classical music has been rewarded with unprecedented acclaim from the media but also, and more importantly, from our customers.

Given the quality and breadth of Naxos releases, there's always a reason to go back to Naxos every month. Where else today can one enjoy such an extraordinary musical adventure for such a modest outlay?

Klaus Heymann

WHAT THE PRESS SAY OF NAXOS:

"...a label that seems intent on recording every note of the classical repertory while the rest of the industry is in a state of perpetual retrenchment." - The New York Times

*"Klaus Heymann is doing much more than the Hapsburgs to promote the spread of classical music"
- Forbes Magazine*

"Naxos is now part of every music lover's life." - Gramophone

"Naxos has become without doubt the world's favourite classical label. ... In the history of the gramophone, no company has more thoroughly overturned the classical record business. ... It has built its reputation on value and reliability." - BBC Music Magazine

"Naxos is simply the most exciting thing happening in classical music today." - ClassicsToday.com

"Naxos is a niche label with international clout. A major minor, if you will." - The New York Times

*"It's hard to imagine that there isn't at least one Naxos disc in the collection of every classical music lover."
- The Scotsman*

*"Naxos has combined imaginative A&R with its philosophy of offering great music at affordable prices. Which all makes for a winning combination - classical music enthusiasts can't really go wrong!"
- Gramophone*

"One of the most adventuresome of all independent classical labels. ... At a time when major classical labels are seriously tightening their belts, Naxos thrives." - Wall Street Journal

"Naxos may be a major label, but it's a major label with a difference. Unlike the others, it respects the interests, not to mention the intelligence, of its customers." - Stereophile

"The Naxos classical music label is now one of the most innovative and successful in the world and has as many critical successes to its credit as any of the established labels." - Metro (London)

"Why pay £15 for a classical CD when you can get a better one for a third of the cost from the budget label Naxos?" - The Guardian

"The great salvation for classical recording continues to lie with the smaller independent labels. ... Enterprising indies such as Naxos continue to put out records that justify themselves artistically." - The Chicago Tribune

"Naxos Nostalgia, Naxos Jazz Legends, Naxos AudioBooks and Naxos World testify to the continuing vibrance of one of the great success stories of the CD era." - BBC Music Magazine

"Naxos's continuing success may be due to many factors, but not least among them is Klaus Heymann's belief that classical music really matters." - BBC Music Magazine

NAXOS WORLD

Naxos World is an exciting new avenue for the release of new and traditional world music. Whether it is the indigenous classical sound of an under-represented culture or an ethno-fusion project blending cultural traditions, Naxos World is dedicated to presenting and introducing the best from across the global music spectrum. Quality and integrity is Naxos's aim.
