Classical Music for Children
It's never too early to start on the life-long, magical journey of discovery in the world of classical music.

We hope this catalogue will help parents in their selection of music for younger members of the family. Taking first steps in life always benefits from guidance, which this catalogue is designed to provide.

You will find in the following pages a wealth of vocal and instrumental works that will immediately engage younger listeners, either through the directness of their enchanting sounds or the absorbing subject matter on which they are built.

The thread of sophistication runs through the entire catalogue, with fairy tales and more abstract themes all easily accessible for younger ears in the hands of history's master composers.

From individual discs to compilations, from Renaissance works to contemporary sounds, and from first experiences to a maturing interest in classical music – this catalogue provides a generous list of suggestions for future pleasures to take root.

Camille SAINT-SAËNS (1835–1921)
The Carnival of the Animals

Maurice RAVEL (1875–1937)

Benjamin BRITTEN (1913–1976)
The Young Person’s Guide to the Orchestra

These live performances from Snape Maltings Concert Hall present some of the most popular classical works for younger audiences. Their perennial appeal is a result of vivid melodies, witty instrumental characterisation, and, in three works, the use of spoken texts to illuminate the narrative. Whether composed to amuse, entertain or educate, each possesses marvellous vitality, lyricism and bravura. The performances are conducted and narrated by Marin Alsop, one of the world’s most inspirational musical communicators.

by Genevieve HELSBY
Hardback; 176 pages; Full-colour illustrated book plus disc

by Genevieve HELSBY
Hardback; 68 pages; Full-colour illustrated book plus disc
(Also available as ebook)

My First Classical Music Book is a delightfully colourful introduction to classical music, designed to fire the imagination of children aged 5–7 years. Then, each of the major composers and musical instrument families are introduced and brought to life in a vivid and enchanting way. This is the most exceptional book of its kind, providing an absorbing experience for both eyes and ears.
My First Orchestra Book
by Genevieve HELSBY
Hardback; 68 pages; Full-colour illustrated book plus disc
(Also available as ebook)

A delightfully colourful introduction to the orchestra, aimed to fire the imagination of children aged 4–9 years. There is a special guide in the book: a little green creature called Tormod. He is a troll who has come all the way from the top of a mountain in Norway to discover music. As he searches for the music that will help him to find his way home, readers learn about the different instruments – what they look and sound like, and how they belong in different families. Throughout the book children are referred to the accompanying recording so that they can hear examples as they read. There is a musical quiz at the end, with multiple choice answers.

My First Piano Book
by Genevieve HELSBY
Hardback; 72 pages; Full-colour illustrated book plus 2 discs
(Also available as ebook)

Following the international success of My First Classical Music Book, Genevieve Helsby and Jason Chapman return with My First Piano Book: an original and vibrant introduction for children to one of the world’s greatest musical instruments.

Bursting with life and humour, My First Piano Book flaunts the piano in all its glory to inspire a new audience. Each page is a treat to explore, as its animal characters show what they know (and what they don’t!). It truly is both informative and great fun.

The piano is an extraordinary invention and, for many music lovers, the greatest instrument of all. My First Piano Book opens a door to loving the sound of the instrument and becoming a pianist: it connects the discovery of brilliant piano playing (Part 1) with that very first go at pressing the keys (Part 2, which contains practical guidance). The joys of the piano are for everybody!
Catchy contemporary music for children performed by an orchestra is a rarity. *New Orchestral Hits 4 Kids* aims to open ears, new and old to the wonderful sounds of the orchestra. The songs are written, arranged and performed by two highly accomplished musicians, Mr. E aka Erik Johannessen of Jaga Jazzist fame and Me aka Martin Hagfors an acclaimed songwriter, artist and lyricist. The orchestra is the Norwegian Radio Orchestra directed by Anders Eljas of Chess and ABBA fame and by the eloquent Ingar Bergby. The orchestra is augmented by the internationally renowned Sami artist, Mari Boine, The Norwegian Girls Choir and percussionist Heming Valebjørg of The Oslo Symphony Orchestra. Enjoy!
