MUSIC OF THE PASSION OF CHRIST

## Easter with Naxos

The events of Christ's Passion have been marked in artistic triumphs over the centuries, not least in music which has a treasure trove of works devoted to the sequence of the action. Just as the Easter story moves from darkness to light, so the works describing it represent the full spectrum of genres and resources.

In this catalogue – which also includes titles from Naxos' affiliated labels – you'll find masterpieces representative of all musical styles: from Bach's *Passion* settings to the *Requiems* of Mozart, Dvořák and Verdi, plus the more contemporary utterances of works. You'll also see recordings of instrumental music, such as Messiaen's *L'Ascension*, Gubaidulina's *Sieben Worte*, and Haydn's *Seven Last Words* in its piano version.
